

ANHUI WUYOU INDUSTRIES INTERNATIONAL CO.,LTD.

wheature

Anhui Wuyou Industries International Co.,Ltd. has been engaged in biodegradable tableware industry for more than 5 years and the goods have been enjoying great popularity in world market. We serve more than 100 customers in the international market.

We are a hi-tech environmental protection enterprise which was devoted to developing, producing and selling of natural 100% biodegradable tableware (clamshell box, bowl, plate, tray, paper tableware), using sugarcane, corn starch as raw material.

With superiority of healthy, non-toxic, tasteless, water-oil proofing and 100% biodegradable, the sugarcane biodegradable tableware ware widely used in catering, supermarket, food and medicine fields. It is key green industry was supported and encouraged by our country. Our products have the adaptability of common plastic and also could be degraded totally in natural environment, it was the indispensable green products in our daily life, which could eliminate the white pollution and protect our ecological environment.

Wuyou Packaging is One-stop solution for Packing. Our R&D team were always devoted to developing tableware that meet the needs from international market. We offer 24 hours on-line before and after service, including the supply of products and woodpulp raw materials. Furthermore, with growing awareness on protecting our environment, use of biodegradable tableware is gaining faster acceptance by the society at large around the world & adopted successfully by developed countries. We believe you will learn everything about biodegradable packaging from us!! We also provide customized services, please feel free to contact us for more details.
